SUBJECT: 1. Special Assistance to the FBI

SUBJECT: 2. Review of FBI Violations in With Ken American World Agency. Its Subordinates and Associates

A2

1. Attached is a report to be certifying that the FBI records on Ken American World Agency (KA) have been searched. My review of the possible Category III items is as follows:

Item 4.a. - The individuals mentioned are probably Mr. and Mrs. George de Jarnett, alias of Bellisario, I believe, are the only persons who were acquainted with both Ken American and President Kennedy; not Category III and of no consequence by judgment.

Item 4.d. and a. - I see nothing improper in those; the documents summarize in draft the cooperation of a CIA employee with the Air Force after coordination with FBI. There would be no impropriety in Air Force passing an order or reward to a CIA employee for his assistance, a common Air Force practice.

Item 4.g. - Based on Mr. Affinito and Miss Schreft's comment, I directed that another search should be made because the memorandum suggests that FBI might be able to use its influence with President Shiva, including PIA, to make Shiva's trip to the US a success. There is no indication anywhere in our case correspondence, however, that Identity 27, an Africa Division officer, visited LCI's New York Field Office on this matter or that the subject was ever discussed further than in this single piece of correspondence.

Item 4.h. - The content is slightly incorrect in that NYFO 635 suggests that CIA material on the Soviet SST be given to PIA. LCI New York Field Office

personnel believe that some information was provided.  
No joint action resulted to my knowledge in regard to  
Agency support of PAA testing of the TU-144.

2. After Miss Feilrait and Mr. Affinito completed their survey  
and signed their certification (Attachment), Miss Feilrait located  
two additional items, W-12 4254 and W-12 4255 (Letter 41), which  
indicate that a request was made by a USAF official and responded  
to by United, PAA in regard to the contemplated joint USAF/US  
operations by Continental Airlines, a possible USAF classifier.

3. You will note an inconsistency in the handling of one  
material on file. Mr. Affinito and Miss Feilrait have classified the  
information they selected and have used their names in their accounts  
to me. In the interest of consistency, I have not corrected this  
inconsistency.
